### Guidelines:

- Center Has to Check and verify all students practical & project files.
- Center has to update student practical marks on Student practical verification sheets and send to RUCSVS Head Office.
- Center has to check and verify all students id card & admit card before start practical & viva sessions.
- Center will be responsible for Student Practical & Viva Marks.
- Center has to submit Video recording & photography of practical exam similar to theory exam.

### Exam Center / Institute Head/HOD is responsible for:

- Provide proper setup i.e. required tools are installed and working prior to exam as per syllabus.
- To make sure that only the authorized persons are permitted to enter in the exam center (restricted entry).
- To take necessary care if your students exam is going to be conducted at other center.
- If your student's exam is going to be conducted at other center, provide details of any specific setup requirements for elective subjects, if needed for your students. Also verify the functioning /working of setup before two working days prior to start of exam to avoid last moment.
- Maintain decorum of exam.
- At the end of Exam, papers sent via email must be destroyed from respective email boxes.
